IDAHO CITY.—A

correspondent of the Virginia Enterprise, writing from Idaho City, May 14th, says:

"This city contains a population of about 4,000 persons; but not much enterprise is displayed in building. It is a city of frame-houses, and there is not a single fire-engine in the whole country. Should a fire break out, the city would be consumed. We have but one press and one church; everything else is in abundance. Gambling-saloons, stores and hotels are numerous."

"We have three theatres here—the Forrest Jenny Lind and Maganolia. The Forrest theatre is a present being run by the 'Police Dramatic Troupe,' with Mrs. Julia Dean Hayne at its head. The Maganolia is operated by R. H. Shepherd and P. E. We have also a 'Hurdy-Gurdy' band, with the thomist set of 'hurdy-gals' that I ever saw. Notwithstanding their lack of charms, they are doing well. A 'free-lunch' house would receive a 'big run,' there being a number of re-lunchers. A auction house would do a good business here."

Colorado Items.

The Briggs Gold Mining Company, of Central City, sent 1,351 ounces of gold bullion (value of \$35,000) to their Treasurer in New York, the other day. Good two months run, that!

MIKE DOUGHERTY, the famous Irish comedian, has returned to Colorado from a visit to the States.

CART SORUS, of Denver, as 'Committee on streets and alleys,' is cleaning the streets of the above-named city, of tub-bath, defective dogs and other aromatic 'affluents' accustomed to waste their sweetness in the Denver air.

FRED STANTON'S 'Daily Denver Gazette' seems to be slowly flourishing, though a second sheet should do well in that 'city of the Plains (y)'. The Central City Daily Miner Register and the Black Hawk City Daily Mining Journal are the two live, paying papers in the Colorado mines.

It and BILL FORD have leased their institution, in Denver, to Ed. Chase's brother.

CHARLIE CHEVER and Mons. DeLano have a hot newspaper discussion about Mrs. Irwin's lots, less only in universal interest than Andy Stansbury's and Pap Sil's contributions about 'dorks'.

Great town that for thrilling topics—dub in ink.

The Orator of Speaker Colfax, on President Lincoln, as delivered in Denver before he left, is a production of particular interest, worthy of the widest circulation through the western press.

GEN. CONNOR was at Denver two weeks ago, perfecting additional arrangements for the future safety of stage and mail grant travel to this far west. In a month more the overland thoroughfare to Denver will be as well protected from point to point, as is now the road from Julesburg to Fort Kearney. That's the way to do it. Spare not plenty of soldiers to station themselves in strength effect all along this western line, and then those savage, thieves and murderers must turn to the farther north, or else surrender, bury their hatchets, or swallow bullets from 'the boys in blue,' as Colfax calls them.

THE markets in Colorado are quiet at present. Parties who turn back on at 50 cts. on the Missouri, sold at 45 cts. when they came to Denver. Clothing and dry goods there are tolerably heavy stock, sellers holding out for stiffer prices than the 'price of gold' will warrant. Better do as they do in this place—come down to time, in time.

WILL NOT WILCOX, Leach, Lavin, Richmond, Scudder, Stiles, Stansbury, Gaffney, Triche or two or three of 'em at a time, tell us what the news in Colorado is. Your cacophonous serenade is not directed to advantage. Illume us outside here, away so far from civilization, and command us for a couple of pencils, oranges and all that sort of thing—this summer, sometime!

DEALING IN QUARTZ.—The San Antonio Register of 31 June says:

"A quartz claim at Jenny Lind has been sold to a company from San Francisco for \$75,000, with the provision that the seller will take nine tons of the rock in San Francisco and if it averages \$20 per ton, they are to be paid \$100,000 for the claim."

NEW ADVERTISEMENTS

United States

7.30 LOAN.

Third Series.

\$230,000,000.

By authority of the Secretary of the Treasury, the undersigned, the General Subscription Agent for the sale of United States securities, offers to the public the third series of Treasury Notes bearing seven and three-tenths per cent interest per annum, known as the

7.30 LOAN.

These notes are issued under date of July 15, 1918, and are payable three years from that date, or are convertible at the option of the holder into

U. S. 5.40 Six per cent.

Gold bearing Bonds.

The Bonds are now worth a handsome premium, and are exempt as are all the Government Bonds, from County and Municipal taxation, which adds from one to three per cent. per annum to their value, according to the rate levied upon other property. The interest is payable semi-annually by coupons attached to each note, which may be cut off and sold to any bank or banker.

The interest at 7.30 per cent, a month's note.

One cent per day on a \$50 note.

Two cents per day on a \$100 note.

Ten cents " " " \$500 "

Twenty cents " " " \$1,000 "

One dollar " " " \$5,000 "

Notes of all the denominations named will be promptly furnished upon receipt of subscriptions.

The terms of this third series are precisely similar in form and privileges to the seven-thirtieth series already sold, except that the Government reserves to itself the option of paying interest in gold coin at 6 per cent, instead of 7.30 in currency. Subscribers will deduct the interest in currency on July 15th, at the rate then prevailing.

The slight change made in the conditions of this THIRD SERIES affects only the matter of interest. The payment in gold if made, will be equivalent to the currency interest of the higher rate.

The return to specie payments in the event of which only will the option to pay interest in gold be availed of would so reduce and equalize prices that purchases made with a 7.30 note would be fully equal to those made with seven and three-tenths per cent, in currency.

This is

The only Loan in the

MARKET.

Now offered by the Government, and its superior advantages make it the

Great popular Loan of the People.

Less than \$20,000,000 of the Loan authorized by Congress are now on the market. This amount at the rate at which it is being absorbed, will all be subscribed for within sixty days, when the notes will undoubtedly command a premium, as has uniformly been the case on closing the subscriptions to other Loans.

In order to attract the every State and section of country may be offered facilities for taking the Loan, the National Banks, State Banks, and private Bankers throughout the country have generally agreed to receive subscriptions at par. Subscribers will select their own agents, in whom they have confidence, and who only will be responsible for the delivery of the notes for which the receipts are given.

THE COURT OF HEAVEN

Just as the bee collects her honey,
From every shrub and flower she meets,
And stores it up for winter use,
So should we store up good deeds,
That when we need them we may find them.

THE COURT OF HEAVEN

Alas! how light a cause may move
Disunion between hearts that love;
Hearts that the world has vainly tried,
And never will more closely bind;
That stand the storm when waves were rough,
Yet in a sunny hour fall off,
The ships that have come down at sea,
When Heaven was all tranquility,
A word unkind, or wrongly taken,
Oh, love that tempest never shook,
A breath, a touch like this hath shaken,
For under worlds will soon rush in,
To spread the breach that words begin,
And open founts of deadly strife,
They were in courtship's smiling day,
And voices rose the tone which shed
A tenderness round all they said,
Till that declining, one by one,
The sweetness of love are gone,
And hearts so lately mingled seem
Like broken clouds or like the stream,
That smiling left the mountain-brow
As though its waters never could sever,
Yet are it reach the plain below,
Breaks into floods that part forever.

BARNUM has offered \$1,000 for the pillow of the bed on which the President died.

One half of the Southern rebels are in a very bad condition; the other half in a great deal worse.

Why is a young lady putting on her corsets like a man who drinks to drown his grief? Because in "so lacing" herself she is "getting tight."

"MYNHEER, do you know what for we call our boy Hans?" "I don't really." "Well, I will tell you. Der reason why call our boy Hans is—it is his name."

JEFF DAVIS would be a most audacious man if he could say to the Federal Government—

That mercy I to others show,
That mercy show to me.

MR. RHETT, the famous fire-eater of the Charleston Mercury, has taken the oath of allegiance. We guess he did a good deal more swearing inwardly than outwardly.
